

MICHAEL AWOLEYE (PH.D)

African Institute for Science Policy and Innovation, Obafemi Awolowo University, Ile-Ife, Nigeria

Mobile: +234-7069197823, Email:awoleye@yahoo.co.uk

An energetic and early career researcher seeking to work with all commitment with others in your University. The passion to add value and to work with other researchers, to achieve the goal of putting your University first among others is my major drive. In addition, bringing new knowledge through design, investigation, analysis and interpretation of data to advance cutting-edge outcomes. Much more, as I work in cooperation with your team of experts and providing support for the leadership.

EXPERIENCE

NOVEMBER, 2015 – DATE

RESEARCH FELLOW I, OBAFEMI AWOLOWO UNIVERISTY (OAU)

Teaching and Policy Research in the area of Science, Technology and Innovation (STI). Apart from the fact that I have published research articles at reputable journal outlets, I have also successfully supervised/co-supervised 9 (nine) M.Sc. graduates. I also review manuscripts for journal outlets in STI and collaborate with researchers on projects. I am a reviewer for AJSTID among others and a member of the [editorial board](#) of [International Journal of Business and Systems Research](#), INDERSCIENCE (SCOPUS), USA (2021-2025).

MARCH 2013 – OCTOBER 2015

RESEARCH FELLOW II, OBAFEMI AWOLOWO UNIVERSITY

During this period, I was working on my PhD. I also coupled this with my Teaching and Policy Research duties. Modules passed during my course work include but not limited to Information Systems and Technology Management, Data Management, Quantitative Technique and Decision Making among others. I secured a \$5,000 grant from CODESRIA for thesis writing and an additional \$1,500 grant was awarded to me by the Post Graduate college of my institution (OAU).

JAN 2012 – FEB 2013

ASSISTANT CHIEF RESEARCH OFFICER, NAT. CENTRE FOR TECH. MGT.

I was involved in Training and Research of middle- to high- level manpower in Science, Technology and Innovation (STI) as it relates to Information Communication and Technology. I was part of the team that worked on the review of STI policy for Nigeria.

AUG 2008 – DEC. 2011

SENIOR RESEARCH OFFICER, NAT. CENTRE FOR TECH. MGT.

I worked with my research team to conduct a number of policy researches; I also coordinated ICT training activities of the Centre. In addition, I was the coordinator of the Centre's Post Graduate Diploma programme in Technology Management. I assisted the Chief Executive with draft paper of his academic engagements.

AUG 2005 – JULY 2008

RESEARCH OFFICER, NAT. CENTRE FOR TECH. MGT.

Research proposal preparation and business plan writing. I was also the secretary to a nation-wide research project titled 'Management and Disposal of Electronic Wastes in Nigeria'.

OCT 2002 – AUG 2005

RESEARCH ASSISTANT, NAT. CENTRE FOR TECH. MGT.

During this time, I designed and implemented the local area network of the Centre which server was configured using windows 2000. I designed the website of the Centre using PHP & MySQL. I was also assisting senior researchers to search for materials for their academic engagements.

EDUCATION

NOVEMBER 2015

PH.D. (TECHNOLOGY MANAGEMENT), OBAFEMI AWOLowo UNIVERSITY, ILE-IFE, OSUN STATE, NIGERIA.

My thesis was a study on analysis of Innovation capability among ICT clustered firms dealing with sales, maintenance and manufacturing of software and hardware. Among other courses I studied and passed during this programme are: Technological Economics, Strategic Management of Technology, Managerial Accounting and Engineering Economy, Technical Entrepreneurship and Venture Management, Research Methodology and Statistics, Management of Technological Innovation, Production Technology Management, Science, Technology and Society, Quantitative Methods in Decision Making.

OCTOBER 2010

M.SC. COMPUTING: INFORMATION ENGINEERING & NETWORK MGT,

ROBERT GORDON UNIVERSITY, ABERDEEN, SCOTLAND, UNITED KINGDOM

During this time, I was introduced to data mining using Waikato Environment for Knowledge Analysis (WEKA) for data analysis. I now use both WEKA and R extensively for machine learning applications; however, my thesis was based on recommender system. I also gained the knowledge of building e-commerce portal on this programme, at the same time, I added to my Computer Networking skills after passing CISCO CCNA.

OCTOBER 2002

B.SC. COMPUTER SCIENCE, OLABISI ONABANJO UNIVERSITY, AGO-IWOYE, OGUN STATE

I made a second class upper during my first degree and among other courses I studied and passed excellently are: Systems Modelling and Simulation, Computer Programming, File Processing, Linear Algebra, Probability, Discrete Mathematics, System Analysis & Design, Computer Architecture, Data Structure and Algorithms, Operating Systems, Automata theory, Numerical methods, Operations Research etc. My understanding of mathematics has assisted my econometric and analytical prowess immensely.

NOVEMBER 1995

NIGERIAN CERTIFICATE IN EDUCATION, COMPUTER SCIENCE/MATHEMATICS EDUCATION, ST. ANDREW'S COLLEGE OF EDUCATION, OYO, OYO STATE, NIGERIA.

I had merit during my course of study at the college. The following are some of the modules offered during the programme: Computer Science, Mathematics, Education, Citizenship Education, Language & Communication skills and Library studies.

SKILLS

- Having served as a secretary to research projects since 2006, I have developed excellent supervisory role in research coordination
- I have 15yrs uninterrupted fieldwork and research experience and still counting.
- I have excellent knowledge of R programming language, R, Stata, SPSS and WEKA for data analysis.
- I am a seasoned Researcher with over 25 journal publications.
- I like to break new grounds and will not hesitate to learn new things
- I have successfully worked with others on research articles and projects, from conceptualizing the idea to result dissemination.

ACTIVITIES

EDUCATIONAL BACKGROUND

1. Higher Educational Institutions Attended (with dates):

- | | |
|--------------------------------------------------------------------|-----------|
| (i) Obafemi Awolowo University, Ile-Ife, Nigeria | 2011-2015 |
| (ii) The Robert Gordon University, Aberdeen, UK | 2009-2010 |
| (iii) Olabisi Onabanjo University, Ago-Iwoye, Ogun State, Nigeria, | 1997-2002 |
| (iv) St. Andrew's College of Education, Oyo, Oyo State, Nigeria, | 1991-1995 |

2. Academic and Professional Qualifications Obtained (with dates):

- | | |
|--------------------------------------------------------------------------------------------|------|
| (i) Ph.D. Technology Management | 2015 |
| (ii) M.Sc. Computing: Information Engineering with Network Management (<i>Merit</i>) | 2010 |
| (iii) B.Sc. Computer Science (<i>Second Class Upper</i>) | 2002 |
| (iv) Nigeria Certificate in Education (NCE), Computer Science/Mathematics (<i>Merit</i>) | 1995 |

3. Other Distinctions and Awards With Dates :

a) Scholarships

- I received full sponsorship to attend the 2nd African Workshop on Machine Learning for Data Mining and Search (AFIRM 2020) held at the University of Cape Town, South Africa between January 27 and 31, 2020. A summer school organised by Association of Computing Machinery (ACM) – SIGKDD Special Interest Group on Knowledge Discovery in Data and University of Cape Town.
- I received full travel support, accommodation and subsistence to attend the 2nd AfricaLics Ph.D. Academy which was held in Mombasa, Kenya, March 1-13, 2015. Sponsored by the Swedish International Development Cooperation Agency (SIDA).

- (iii) I was fully sponsored to the 2nd African Network for the Economics of Learning, Innovation and Competence Building Systems (Africalics) Conference through a funding provided by SIDA which enabled me present two academic papers. The conference was held in Kigali, Rwanda in 17-19, November, 2015.
- (iv) Was granted a full Scholarship (including travel, accommodation, conference fee and subsistence- \$3,200) to present a paper and to attend the Joint World Conference on Social Work, Education and Social Development 2014 which was held at the Melbourne Convention and Exhibition Centre, Melbourne from 09-12 July 2014. The Conference was organized by International Association of Schools of Social Work (IASSW), the International Council on Social Welfare (ICSW) and the International Federation of Social Workers (IFSW).
- (v) I was one of the few 28 successful Ph.D. candidates that won Full Scholarship (worth \$2,850) to attend The Global Network for Economics of Learning, Innovation, and Competence Building Systems (GLOBELICS) Ph.D. Academy which was held in Tampere, Finland in May 13-23, 2013.
- (vi) I received a full scholarship among selected UK Post Graduate students to attend an event tagged 'Sterling Workshop for Entrepreneurs' held during April 12-15, 2010, Sterling, UK
- (vii) I received Merit scholarship of the Robert Gordon University in 2009 for recognition of academic and professional standing worth £2000.
- (viii) E-Learning Africa Bursary Grant, \$1,500, a full bursary grant including travel, accommodation and subsistence for the whole period to attend the 2nd International Conference on ICT for Development, Education and Training an Annual Event for Building eLearning Capacities in Africa. The conference was held between Kenya 28-31 May, 2007 at the Hotel Africana. This is where I presented my first eLearning related conference paper.
- (ix) I received full sponsorship including travel, accommodation, subsistence to enable me attend a stakeholder's meeting titled Promoting and facilitating the involvement of sub-Saharan African organisations in FP7/ICT (An Euro-Africa Awareness Workshop). The event was held in Accra, Ghana between July 20-21, 2007 at Coconut Grove Regency Hotel.
- (x) I received full sponsorship, which include: return travel ticket, accommodation and tuition, totaling \$2,600 to enable me attend the Africa Network Operators Group (AFNOG) Workshop and Training organized by the Internet Society, held in Kampala, Uganda, June 8-15, 2003. The workshop presented advanced training to operators of existing African Internet Service Providers (ISPs) who are participating in the process of developing and enhancing a national Internet with regional and international coverage.

b) Research Grants

- (i) Obafemi Awolowo University Post Graduate Research Grant (N300,000), 2014. The grant was awarded to support me in order to enhance the quality of my Ph.D research.

- (ii) CODESRIA Laureate Grants for Thesis Writing (ID: SGRT.46/T13), \$5,000
The Council for the Development of Social Science Research in Africa (CODESRIA) runs an annual competition under its Small Grants Programme for Thesis Writing. I therefore became one of the CODESRIA Laureate in 2014 after I successfully emerged as one of the few selected for the 2014 grantees.

WORK EXPERIENCE WITH DATES

1. Previous Work Experience outside the University System with Dates:

- (i) Assistant Chief Research Officer Nat. Centre for Tech. Mgt, 2012-2013
- (ii) Senior Research Officer, Nat. Centre for Tech. Mgt, OAU, Ile-Ife, 2008-2011
- (iii) Research Officer II, Nat. Centre for Tech. Mgt, OAU, Ile-Ife, 2006-2008
- (iv) Research Officer I, Nat. Centre for Tech. Mgt, OAU, Ile-Ife, 2002-2006

2. Previous Work Experience in other Universities with Dates:

None

3. Work Experience in Obafemi Awolowo University:

- (i) Research Fellow I - November 2015 – Date
- (ii) Research Fellow II - March 2013 – November 2015

4. Courses Taught Within the Current Academic Session:

- (i) **SET 002** -Technology and Society (16.7%)
- (ii) **TPD 101** -Engineering and Society (16.7%)
- (iii) **TPD 503** -Production, Operations Management and Industrial Law (33%)
- (iv) **TPD 614** -Information Systems and Technology Management (33%)
- (v) **TPD 615** -Advanced Manufacturing Technology Management (25%)
- (vi) **TPD 619** -Data Management (25%)
- (vii) **TPD 605** -Quantitative techniques and decision-making (33%)
- (viii) **TPD 607** -Research Methodology (33%)
- (ix) **TPD 643** -Introduction to Management and Management Principles (25%)
- (x) **TPD 655** -Introduction to Computer Technology & Networking (50%)

5. Graduate Student Supervision:

a) By Research

(i) *Completed:*

1. Ojei H. ONYIJEN (2017). Impact of Emerging Social Media on Product Marketing among Firms in Southwestern Nigeria, TP14/15/H/0117, Supervisor.

2. Oyesiji, W. Oyetunde (2017). A Study of Technical Innovation among Auto-Allied Artisan in Southwestern Nigeria, TP13/14/H/2327, Co-Supervisor.

3. Bosede B. FASIKU (2017). Analysis of Internet Service Delivery in Selected Universities in Nigeria, Co-Supervisor.
4. Ifeoluwa C. JAYEOLA (2017). Analysis of Emerging Social Media on Learning in Higher Institutions in Southwestern Nigeria, TP14/15/H/1838, Co-Supervisor.
5. Oluwatosin A. AWORINDE (2018). A Study of E-Government Adoption among Public Employees in Southwestern Nigeria, TP14/15/H/0118, Co-Supervisor.
6. Olaniyi OLUYIDE (2018). Impact of Biomedical Engineering Services on Healthcare Delivery in Selected Teaching Hospitals in Southwestern Nigeria, TP14/15/H/0298, Co-Supervisor.
7. Seun Tope OLUWOLE (2019). A Study on Adoption of Electronic Policing in Selected Policy Commands in Lagos, TP15/16/H/0480, Co-Supervisor.
8. Abraham Olufemi ADEWALE (2019). A Study on ICT-Driven Service Delivery Channels Available to Customers in Selected Banks in Southwestern Nigeria, TP/16/17/H/0883, Supervisor.
9. Anthony ADEYEMI (2019). Assessment of Cloud Computing Adoption in Selected Universities in Southwestern Nigeria, TP16/17/H/0445, Supervisor.

b) Current Postgraduate Supervision:

Nil

MEMBERSHIP OF PROFESSIONAL BODIES

- | | |
|----------------------------------------------------------------------------------------------------------------|-------|
| (i) Member, Nigeria Computer Society (NCS), (Membership ID: 10539) | -2018 |
| (ii) Member, Global Network for Economics of Learning, Innovation and Competence Building Systems (GLOBELICS). | -2017 |
| (iii) Member, Internet Society (ISOC), Global (ID: 2123) | -2003 |
| (iv) Member, British Computer Society (MBCS), UK (ID: 99000867) | -2006 |

PUBLICATIONS

1. Thesis/Dissertations

- (i) **Awoleye O.M. (2002).** "A Web-Based Students' Record Management System", unpublished B.Sc. project, Department of Mathematical Sciences, Olabisi Onabanjo University, Ago-Iwoye, Ogun State, Nigeria.
- (ii) **Awoleye O.M. (2010).** "The Design and Implementation of a Web-Based News Recommender System: Using Case-Based Reasoning". Unpublished M.Sc. thesis, School of Computing and Engineering, Robert Gordon University, Aberdeen, UK.
- (iii) **Awoleye O.M. (2015).** "A Study of Production and Innovation Capability in selected ICT Clusters in Nigeria". Unpublished Ph.D thesis, African Institute for Science Policy and Innovation, Obafemi Awolowo University, Ile-Ife.

2. Books/Monographs

- (i) Contribution to Books:
Olawale Olaopa, Ibikunle Ogundari, **Michael Awoleye** and Willie Siyanbola (2009). "The Politics and Policies of Oil Deregulation in Nigeria: Implications and Policy Suggestions" Chapter IX, pp 203-255. In Ojakorotu, V. (editor) "Contending Issues in the Niger Delta Crisis of Nigeria". JAPSS Inc, USA.

3a. Published Journal Articles:

- (i) Ameye, S. A., Ikoko, M. O., Awoleye, M. O., & Eziyi, J. A. (2021). *Evaluation of the performance of machine learning algorithms applied to voice parameters in prioritizing candidate for office laryngoscopy : Automated triaging in focus.*
